*Leaving A Legacy*

Everyone, everywhere, everyday, experiencing  
His redemption by the preaching of the Gospel  
through the local church.

# A HEART FOR HIS HOUSE

When you think of Celebration Church, what do you see?

When we think of Celebration Church we think of YOU, the people...the family of God.

A HOME for everyone to gather, not just for now, but for generations to come.

A place to BELONG, where faith is ignited and we rest in His faith for the impossible.

Every year we focus on what we are building as a church. We take time to think about how we can financially support and strengthen this church so we can see it grow and thrive for generations.

What God has done through us as a church is remarkable, but we must continue to steward what God has given us. We must never back down from the call to bring Jesus to everyone. This is what HEART FOR HIS HOUSE helps us do.

On Sunday, June 11, we will give our annual Heart for His House miracle offering, over and above our regular giving. Our sacrificial giving blesses our local and global outreaches, moving us forward into a new season of growth and development.

God has brought us together for a powerful purpose. When we take action we see incredible things take place. Thank you for your participation!

In Christ,  
Peter and Nathan

## VISION 2023

Heart for His House 2023:

- To acquire new dormitory facilities for WIBI Kenya
- To pay for the Toronto Pavilion
- To provide follow-up for 50,000 new believers
- Jesus in Toronto outreach programs

This will require some to give \$10,000, others \$5,000, others, \$2,500, others \$1,000, and others \$500. *It is not equal giving, but equal sacrifice.*

**The Heart for His House miracle offering will be received on Sunday, June 11, 2023**

As a church, we have a unique testimony. During the uncertainty of the lockdowns of 2020 & 2021, we doubled our missions giving, and continue in 2023! Oswald J Smith said, *"The light that shines the furthest, shines the brightest at home!"* While we do more than ever abroad, we have seen more salvations and baptisms than at any other time in recent years! We believe this is our season. We are a church united, organized, and ready to charge into our future.

**Together, let's step out of our comfort zones and built a legacy for generations to come!**
